Angela Smith Jones  
Board Director  
Indiana State Board of Registration for Professional Engineers

Dear Ms. Jones:

Pursuant to IC 4-22-2-28, the Indiana Economic Development Corporation ("IEDC") has reviewed the economic impact analysis for small business associated with rule changes proposed by the Indiana State Board of Registration for Professional Engineers ("Board") and contained in LSA Document 07-663, which amends 864 IAC 1.1-5-1 and 864 IAC 1.1-5-4 concerning requirements for registration of professional engineers applying by comity.

The impact statement provided by the Board indicates that the provisions of the rule will not create any new reporting costs or economic costs for affected entities. The IEDC does not object to the economic impact to small businesses associated with the rule changes.

If you have any questions about the comments contained herein please contact me at 232-8962 or [rasberry@iedc.in.gov](mailto:rasberry@iedc.in.gov).
